

## PANORAMA™

### Convex-Faced Backlit Graphic Display

Panorama™ is visually striking and attracts viewers' attention even from wide angles. Panorama's convex-face adds allure to any dramatic graphic presentation.

Panorama is available in single-faced, wall-mount model, a double-faced model for suspending from the ceiling, and a double-faced independent floor-mounted model.

### High Impact Graphic Solutions

Stylmark's new graphic displays product line includes a broad offering of backlit displays and light boxes, graphic frames, and frameless fabric displays.
