Custom finishes

Customer Case Study

- ❑ **Client:** Golf Galaxy
- ❑ **Designer:** In-House Marketing Team
- ❑ **Brief Description:** Golf Galaxy upgraded the overhead signage package in their stores with a bolder graphic framing look. Graphics provided by their graphic company. .
- ❑ **Material:** Circular Porsa Frame, 30" tall x 14' diameter with Porsa aluminum extrusion grid on the bottom

- ❑ **Client:** Total Wine & More
- ❑ **Designer:** In-House Marketing Team
- ❑ **Brief Description:** Total Wine focuses on good wine at value prices. Each store features a wine tasting area and the Total Wine design team uses an arched C-Grid canopy to draw the shopper to the tasting area in the back of the store. A large canopy is also added over the check stands to direct the customers to the store front checkout.
- ❑ **Material:** Grid perimeter - .032 AL with wood grain Belbien finish – Interior Grid - .036 steel with bronze powder coat finish
