

MERCHLOCK™ SECURE DOOR SYSTEMS

Introducing MerchLock™

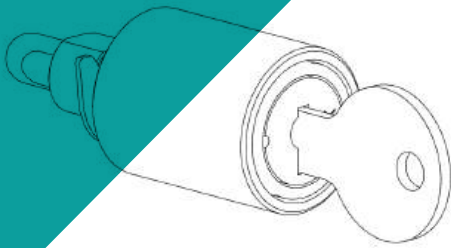

In today's retail landscape, securing your assets is crucial. Stylmark® is excited to introduce MerchLock™—a flexible, theft-combatting solution to safeguard your bottom line. Ideal for retrofitting existing fixtures, MerchLock™ provides uncompromised security.

Integrated Theft Protection

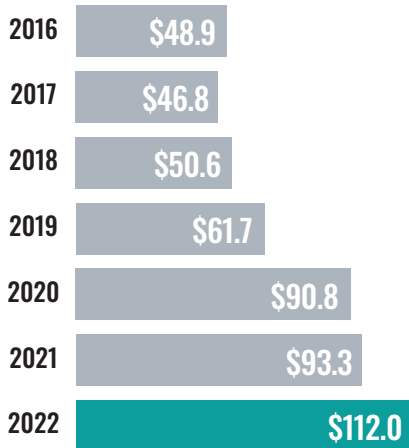

It's no secret that the retail sector is facing a significant increase in theft. With the problem of retail shrink ballooning to \$112 billion in 2022, streamlined solutions that offer seamless implementation have become essential. Our easy to install secure door system is adaptable to existing fixtures, and ideal for businesses seeking a reliable defense against rising loss rates.

Benefits

1. Available in both standard and custom color anodized finishes
2. Easily retrofitted to existing fixtures
3. Installs seamlessly without disrupting store operations
4. Innovative retainer prevents unauthorized door removal
5. Easy on-site assembly with *How To* video

RETAIL THEFT REVENUE LOST

(In Billions)

Lock In Security with Solutions by Stylmark®

Retrofit displays with Stylmark's customizable anodized metal for added security and aesthetic appeal.

How It Works

- 1 Contact a Stylmark® representative to determine your needs and place your order.
- 2 Our Secure Door System is shipped directly to you, facilitating easy on-site assembly.
- 3 Rest comfortably knowing your store employees will have no issues managing MerchLock™ by Stylmark®.

Feature Considerations
