## Introducing Stylmark MIRROR SOLUTIONS™

Introducing MIRROR SOLUTIONS™ by Stylmark: the perfect blend of elegance and functionality for fitting rooms, retail spaces, and hospitality venues. Designed to soften lighting and replicate natural conditions, these LED-lighted mirrors enhance any setting.

## Custom Solutions for Every Budget

What sets MIRROR SOLUTIONS™ apart from the competition? Our mirrors boast fully customizable options for finish, light temperature, mounting, style, frame color, and more. Made with high-quality materials and a modular design, this flexible post-and-panel system is versatile and economical, allowing you to create unique designs for various space areas efficiently.

## Features & Benefits

1. Configurable, unlimited options in standard or triple pane, with or without back-lighting, and various anodized finishes.
2. Cost-effective post-and-panel system allows for creation of unique, modular designs in numerous store areas.
3. Arrives fully framed with high-quality glazed mirror glass and category 1 safety backing.
4. Modular design allows for easy installation, customization, scalability, and simplified maintenance or upgrades.
5. Mirror product components can be ordered in 3.66 m length, or fabricated to your size specification.
